

Madrasah Re -opening from 14th June 2021

Assalamualaikum,

We pray you are in the best of health and Imaan.

By the grace of the Almighty, madrasah will reopen on 14th June 2021.

We ask that all parents follow the guidelines shown below to ensure the safety of our children.

Guidelines and Information

1. Introduction

The Madrasah will be reopening on Monday 14th June 2021 (I.A) with classes split into two groups or “bubbles” as previously.

The Madrasah will continue to adapt to any changes in educational settings to ensure the safety of our children, parents, teachers, and the wider community.

It is still very important to follow the government guidelines, for prevention, safety, and infection control. The support of our parents, students, and the wider community in the re-opening of our madrasah is of utmost importance as are your duas for the safeguarding and protection of our madrasahs.

2. Class “Bubbles” and Time-slots

Each child has been placed in a group that will attend madrasah at the same time each day. There are two time slots and your child has been allocated the time slot advised by their teacher.

2.1 The first Group will attend from **5.00pm-6.00pm**.

6pm-6.10pm – Cleaning and Sanitization will take place

2.2 The 2nd Group will attend from **6.10pm – 7.10pm**.

3. Arrival and Departure

Please arrive on time for your child's drop-off / pick-up time.

Children will go straight to their class and maintain a safe distance from children of other classes. Children and teachers will continue to sanitize their hands when they enter and leave the class for any reason. All classes will be provided with hand sanitizers.

3.1 Designated Points for Entry and Exit

Please continue to use the Main Entrance Black door for Boys classes, and the Pemberton Street White Door for Girls classes. Volunteers at each designated point to guide and help the students.

We kindly request the support of the parents as we understand, those with more than one sibling will be using different designated points.

4. COVID Specific Guidelines

All parents and students over the age of 11 should wear **face coverings** when entering and leaving the masjid, Parents waiting outside for their children are also advised to wear face coverings whilst they are near the masjid area, avoid getting into large groups.

We will not be able to allow parents to enter the madrassah building during madrasah times. It therefore important that parents tell their child/children exactly where they will be waiting for them in advance.

If parents need to contact the teachers, then please either contact the teacher by phone, or email.

Please respect our volunteers who will be spending their time and efforts to support our madrasah. They will be guiding you according to the rules and we ask for your support in supporting them.

4.1 COVID Symptoms

Please remember that if your child has COVID symptoms (new persistent cough, high temperature, loss, or difference in taste/smell) please do not send them to the madrassah at all. They must self-isolate and follow the guidelines given by the government.

Please inform the teacher so that they can make contact and arrange for remotely delivering Lessons / Learning materials.

Remember even if there are others in the household who have symptoms, your child must also self-isolate.

Children and teachers will not be expected to wear masks in classrooms, (unless a parent wishes for their child to wear one due to some underlying illness). Once they are in the class, this will be their social bubble. Each class will be in a bubble group and will not mix with other students and staff outside of their bubble. This is extremely important.

There will be signage and posters in every classroom, wudhu khana and designated entry/exit points to ensure the key messages are always visible.

4.2 Completing the Online Form (for parents and children)

Please make sure that our records are up-to-date with your contact details to improve electronic communications with the parents.

Thank you for all your help and cooperation during these difficult times
