

Assalaamu Alaikum W.W

Dear parents

### **COVID-19 update**

We pray this reaches you and your family in the best of health and Imaan.

**Masjid-e-salaam Madrasa-** after extensive discussion and mashwera and in keeping the health and safety of students and parents in mind we have decided to cancel all madrasa classes in light of the corona virus outbreak as a precautionary measure.

**Madrasa will be closed from Thursday 19<sup>th</sup> March 2020 and onwards until further notice.**

During this period of closure, parents are required to support their children in self-study at home. Attached is an outline of what your child has covered in each subject to date and also what they are expected to learn daily/weekly during this period of self-study. The yearly Madrasa syllabus has also been attached, so please check the syllabus for your child's relevant school/madrasa year.

Please take out time to help your child keep up with revision of each subject as well as assisting them in learning further in order to fulfil this year's learning targets.

Please download and use apps such as QURANHIVE and AL-MUQRI to help your child in learning their Quran sabak and for Duaasand Islamic studies, the books your child already have will suffice.

Hifz class students will also be given targets for sabak, sabak para and dhor. Parents will have to listen to their child on a daily basis at home so that these targets can be met when madrasa re-opens in the near future Inshallah.

We will continue to monitor the situation and provide information and guidance as the situation develops. Updates can be viewed at [www.masjidesalaam.com/covid19](http://www.masjidesalaam.com/covid19)

We pray the Almighty grants everyone protection, comfort and ease.  
Please remember the madrasah in your duas.

Please find the teacher's contact details on the attached self-study guide if you require any further assistance or guidance.
